**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a long standing customer of a small yet mighty internet company. We have had a larger provider and the service and connectivity was nothing compared to what we have now. We went from DSL to fiber, and it was so much better. Customer service with our provider is second to none. The calls are answered in America by Americans, and we have same day service if there is a problem.

Our bills have not increased any in the last 3 years, and thats something we couldnt say before with CenturyLink.

Please reconsider what you are going to millionsof rural Americans all in the name of the almighty dollar for the big providers.
